Re: Trinity Superfund Site (Cleveland, Ohio)
Settlement Agreement for Recovery of Past Response Costs (V-W-12-C-999)

Dear Ms. Constas:

In April and May of 2012 Standex International Corporation and the U.S. Environmental Protection Agency signed the Settlement Agreement for Recovery of Past Response Costs ("Agreement") for the Trinity Superfund Site. Pursuant to paragraph 39 of the Agreement, EPA published notification of the availability of the Agreement in the Federal Register and sought public comment from June 29, 2012 to July 30, 2012. The public comment period has closed and no comments were received. Public comment does not request modification of or withdrawal from the Agreement. This written notification triggers the effective date for the Agreement. The Agreement is effective as of today's date.

Thank you for your attention to this matter. If you have any questions, please contact Catherine Garypie, Associate Regional Counsel, at (312) 886-5825.

Sincerely,

for Richard C. Karl, Director
Superfund Division
